Ginevra King Pirie (November 30, 1898 – December 13, 1980) was an American socialite and heiress. As one of the self-proclaimed "Big Four" debutantes of Chicago during World War I, King inspired many characters in the novels and short stories of Jazz Age writer F. Scott Fitzgerald; in particular, the character of Daisy Buchanan in *The Great Gatsby*. A 16-year-old King met an 18-year-old Fitzgerald at a sledding party in Saint Paul, Minnesota, and they shared a passionate romance from 1915 to 1917.

Although King was "madly in love" with Fitzgerald, their relationship ended when King's family intervened. Her father Charles Garfield King purportedly warned the young writer that "poor boys shouldn't think of marrying rich girls", and he forbade further courtship of his daughter by Fitzgerald. A...

Good articles in Wikipedia

A good article (GA) is a Wikipedia article that meets a core set of editorial standards, the good article criteria, passing through the good article nomination process successfully. They are well-written, contain factually accurate and verifiable information, are broad in coverage, neutral in point of view, stable, and illustrated, where possible, by relevant images with suitable copyright licenses. Good articles do not have to be as comprehensive as featured articles (FA), but they should not omit any major facets: a comparison of the criteria for good and featured articles describes further differences.
